TSD9 Families

Tillamook School District is participating in the USDA Seamless Summer Option (SSO) for the entirety of the 2021-22 school year. This means that our school is providing **free meals to all students!** This program provides additional support and flexibility for our district to continue serving meals to children while maintaining safety measures and managing the impacts of the COVID-19 pandemic.

Even though receipt of free meals does not depend on an approved free and reduced-price meal application, we are still distributing and processing them at the secondary level so TSD9 families may qualify for P-EBT benefits as well as other school funding. Our elementary schools and Wilson River School already qualify for any pandemic benefits offered in school year 21-22 through a separate program.

At breakfast, all children are offered at least four food items from three food components (grain, fruit, and fluid milk) and at lunch are offered five food components (grain, protein, fruit, vegetable, and fluid milk). For your child's breakfast & lunch to be free, they must take a full reimbursable meal. ***Second meals, a la carte items and milk only will be charged a fee.***

Menus and nutrition information are always posted on our district website.

Please contact food service with any questions at 503-842-4414 ext. 1150 or email foodservice@tillamook.k12.or.us

Sincerely,

Angela Paladeni
Food Service Eligibility Officer
