FROM THE PRINCIPAL

Dear Parents and Community Members,

East School is a 4th, 5th, and 6th grade elementary school located in Tillamook, OR. We are a school-wide Title I building serving nearly 535 students each day. 64% of our population identifies as white, 30% are Hispanic, and 2% are multi-racial. 63% of our students are economically disadvantaged, 21% of our students are English Language Learners, and 11% of our students are identified as having learning or behavioral disabilities. 98% of our students have all required vaccinations.

The 2016-17 school year was the third year our students participated in SMARTER Balanced Assessments. This assessment is given to students throughout the state who are in grades 3-12.

This year, we will continue our focus on reading, math, and writing instruction. Our teachers are receiving high-quality professional development in order to provide top-notch instruction for our students. And, we will continue to provide interventions for students who need additional support in academic and social areas. We are committed to helping each child succeed academically and socially. You can help us with that by monitoring your child's homework, reading with your child, attending parent-teacher conferences, and volunteering in the school.

We look forward to partnering with you this school year.

Thank you,

Principal | JP Richards

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
