

FROM THE PRINCIPAL

Dear Parents and Community Members,

Because we are a K-1 building we do not participate in state assessments here at Liberty. We do however conduct our own reading, math, and writing assessments regularly. These assessments are aligned with grade level expectations for the Common Core State Standards. Results drive all instructional decisions. In 2014-2015 61% of kinder and first grade students met the reading benchmark. The implementation of all-day kindergarten has had a significant impact on the performance of all students especially in the area of reading. Students performing below benchmark receive interventions both during the school day as well as in the after school program. Students needing English Language Development also receive services

during and after school. All curriculums are aligned with the Common Core and are mapped out to ensure that all students are taught with the same curriculum at the same time. Our hope is to give kids a strong start at the beginning of a long and successful academic career. As always thanks for sharing them with us!!

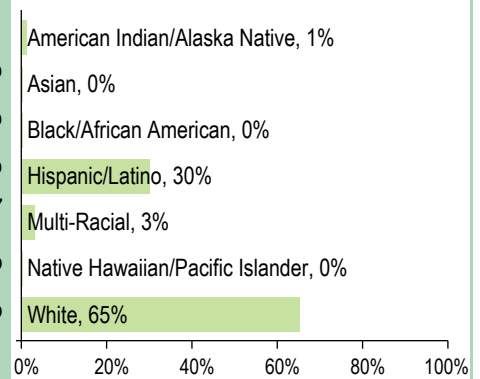

Thank you,

Principal | Jennifer Guarcello

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
