Safe & Welcoming Environment

SPS is a Positive Behavior Intervention Support school. All staff are trained in preventative behavior management and focus on pre-teaching expected behaviors and positive reinforcement. SWIS behavior data is monitored on the monthly basis and used to inform interventions. SPS values parent involvement. We host open houses, family activity nights, parent/teacher conferences, etc. School communication to families is in the home language and is available in multiple modes to ensure equal access to all families.

School Goals

Devote time and resources to building relationships with students while ensuring that classroom based instruction and management practices are supportive of all students. Improve student achievement 2nd-3rd grade and ensure student success by analyzing student data to inform instruction. Focus on making communication to parents, students and our community positive, consistent and transparent, while encouraging our staff to do the same.

State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Academic Progress

INDIVIDUAL STUDENT PROGRESS
Year-to-year progress in English language arts and mathematics.

AVERAGE

HIGH

Not enough students

ENGLISH LANGUAGE ARTS
Students meeting state grade-level expectations.

MATHEMATICS
Students meeting state grade-level expectations.

SCIENCE
Students meeting state grade-level expectations.

Class Size
Median class size.

Increase from previous year

REGULAR ATTENDERS
Students who attended more than 90% of their enrolled school days.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES
Our school closely follows adopted school board policy as it relates to bullying and harassment. The principal is responsible for following up on any report of harassment or bullying of a student. A process has been established through the district office to ensure appropriate reporting happens. Contact information is made available in each building for confidential reporting of bullying or harassing behaviors. All staff are annually trained in recognizing harassment and/or bullying behaviors and are expected to intervene as appropriate. The building administrator conducts a thorough investigation of the incident. Parents of involved students are notified and a plan is developed on the individual basis to ensure the safety of students.

EXTRACURRICULAR ACTIVITIES
- Family Reading and Math Nights
- Parent Information Nights
- EL Family Nights
- Open House
- PTC Sponsored Family Nights (Bingo, Skating, Movies, etc.)
- Chess for Success
- After School Sports Club
- STEM Club

PARENT ENGAGEMENT
SPS creates and maintains a welcoming environment for all families and community members. Prior to the start of each school year families are invited to the Popsicle Pop-in to meet teachers, tour the building, and receive classroom informational packets in English and/or Spanish. During registration, parents are provided information about our school including: Title I services, how to support their child at home with homework, the school's behavior management system (PBIS), volunteer opportunities, and opportunities to participate in Site Council and the PTC. Parent/Teacher Conferences are held in October. Each month our school hosts free family activity nights like bingo nights, skate nights, and/or Title I Family Nights.

COMMUNITY ENGAGEMENT
Our school partners with a variety of community members and agencies. We are a SMART Reading school, have guest speakers from Pioneer Museum, Oregon Department of Forestry, Oregon Dairy Council, Tillamook High School pre-service teacher and Ag. in the Classroom volunteers. Our students also venture out into the community to access the rich resources of Tillamook County. They visit Kilchis Point Reserve, Forestry Center, the beach, Garibaldi Pier, and the Pioneer Museum. Additionally, the building administration partners with the local radio station, the food bank, DHS, Tillamook Family Counseling, and other agencies to provide services for our students and families.
